

brassware

# sandringham sl

A single lever operated mixer fitting providing economic cost solutions combined with water saving.

The mixer feature a CLICK cartridge which offers a limit on water flow by 50%.

The cartridge also incorporates a safety limiting device restricting movement of the handle on the hot side. Fittings are suitable for high or low pressure supply.

- *Single lever*
- *Sink monoblock mixer*
- *CLICK*
- *Swivel nozzle*

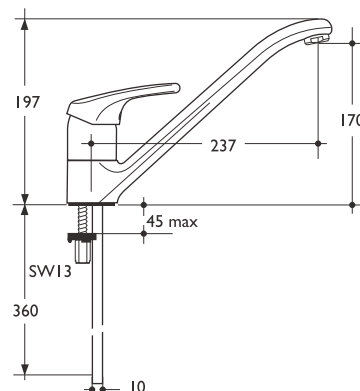

## Illustrated

**B4449AA** Sandringham SL sink monoblock mixer with single flow swivel nozzle, chromium plated

## Special notes

The CLICK cartridge offers water saving by utilising a preset 50% flow setting for hand wash and a 100% flow setting for sink fill options.

The cartridge also features a limiting device that can restrict movement of the handle on the hot side, adding a major safety feature. Inlets with 10mm plain copper tails
